

SLOW IT DOWN

Concentration Game

Materials

- Deck of cards

Exercise your brain with this memory game. Lay all of the cards face down. Take turns flipping over two cards at a time. If the two cards match, put them in your pile and now the next person flips over two cards. If the two cards do not match, flip both cards face down, and now the next person goes. Collect matches until none of the cards remain. The person with the most matches wins!
