

BRAIN TEASERS

Now You See It, Now You Don't

Test your short term memory using some common things you have on hand!

What You'll Need:

Tray or plate

Cloth or towel to cover the tray

Stopwatch or timer

Pencil & paper for each player

20 small items such as eraser, small plastic toy, small race car, coin, marble, etc...

How to Play:

- Spread the objects out on the tray.
- Cover the tray with the cloth.
- Tell the players that they will have 1 minute to learn and memorize the items on the tray.
- Uncover the tray and start the timer.
- After 1 minute, cover the tray and ask each player to write down as many of the items on the tray as they can remember. (If you have just 1 player, the player can list them out loud.)

How good is your memory?
