

# NATURE TIME

## Nature Wand

**Using materials (mostly) from nature,  
create this cool wand!**

You will need the following supplies:  
cool stick, yarn, leaves, flowers, glitter, scissors,  
glue

Step 1:

- Clean your stick.

Step 2:

- Cover one end of stick in glue and begin to wrap yarn around this end to make a handle.

Step 3:

- Before you finish wrapping the yarn attach some leaves or flowers to the glue and wrap the remaining yarn around the ends.

Step 4:

- Coat other end in glue and then add a generous coat of glitter.

Step 5:

- Let dry and

**Have a magical time!**
