

EXTRA CRAFTY

Basic Shape Castle Collage

Create this crafty collage out of basic shapes!

You will need the following materials:
Scissors, glue, printed template, crayons,
construction paper

Instructions:

1. Print out the basic shapes template.
2. Cut out one of each shape and trace it onto a piece of construction paper as many times as you like. Then cut the shapes out.
3. Arrange the shapes on another piece of paper to create a castle (or anything else you make like).
4. Glue them down. Then,

Admire your creation!
