

My Pet Snowball

PASS THE SNOWBALL:

- ◆ Form a circle of all players.
- ◆ Pick a starting person and give them an ice-cube.
- ◆ Players pass the ice-cube around the circle as fast as they can.
- ◆ When the ice cube has melted and can't be passed anymore, the last person holding it is out.

ROLLING UP A SNOWBALL:

- ◇ Players sit in a circle.
- ◇ The first person playing says "As I was rolling up my snowball, I rolled up a _____" and names something that starts with A.
- ◇ The next person says the same thing, remembering what the first person said, and then adds an object that starts with B.

The winner is the player who stays in the longest!

The game continues until the players get to Z and everyone wins!
