# Umbrella Bean Bag Toss

Rainy or dry, this umbrella bean bag toss is a lot of fun!

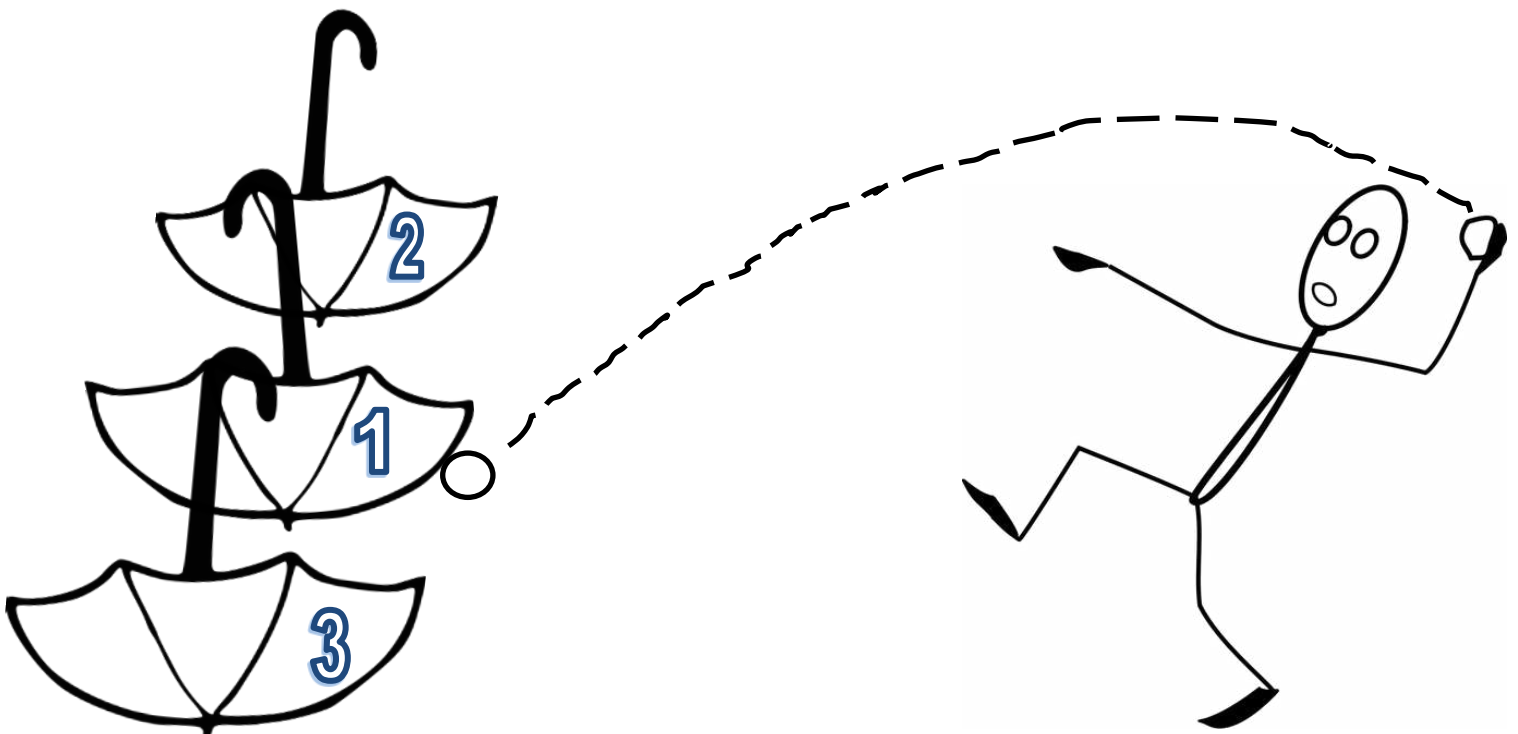

First, collect all the umbrellas in your house.

Next, fill a bowl with beanbags. If you don't have beanbags, clean socks rolled up work well too!

Open the umbrellas and line them up. Mark them with point numbers.

Put the bowl close to the umbrellas. Take turns trying to toss the socks into each umbrella. Keep track of scored points!

On each round move the bowl farther and farther from the umbrellas!

**The winner is the one who scores the most points!**
