

EXTRA CRAFTY

Homemade Lava Lamp

SUPPLIES:

- 1 gallon plastic bag
- 24 oz. vegetable or baby oil
- 8 oz. water
- food coloring
- 2 alka-seltzer tabs

DIRECTIONS:

- Pour vegetable oil or baby oil into plastic bag and add water.
- Place drops of food coloring into the oil and water mixture.
- Break alka-seltzer tabs into pieces, and drop each piece into the oil and water mixture separately.
- Watch the pretend lava erupt!
