

FOGGY DAY MAGIC

Foggy days change how everything looks. Things you can usually see are hidden in the low lying clouds that make up the fog. Three things clear up fog: sun comes to break up the clouds; wind blows the clouds away; and RAIN washes the clouds of fog from the sky! You can try washing away some foggy with this foggy day magic craft!

SUPPLIES:

-permanent markers

-thick paper towel

-bowl of water

Directions:

- Fold the paper towel in half
- Draw your house on the inside of the towel.
- Close the towel and the house is hidden by the “fog” ...
- Place closed towel in water and watch the fog disappear!
