Sleuthtastic Titles

Some clues are straight forward, like a picture of the suspect or a video of a crime. Others require some deciphering...

Can you use the alphabet and number decoder to uncover the titles of the famous children's books on the next page?

HINT: This puzzle uses a number/letter code. Find the number in the coded message on the yellow decoder. Next to the number will be a letter. Write that letter on the line. When you run out of numbers, you will be ready to read the secret book title!
