

## **DRAW & DESIGN:**

# Literature's Most Wanted

# WANTED

**Solve the crime by finding the literary villain featured in a wanted poster!**

Wanted posters often include a photograph or artist sketch of a suspected criminal, their suspected crime, and the reward prize. Look at the wanted posters on the next two pages and identify the villain and their book.

### **More Fun:**

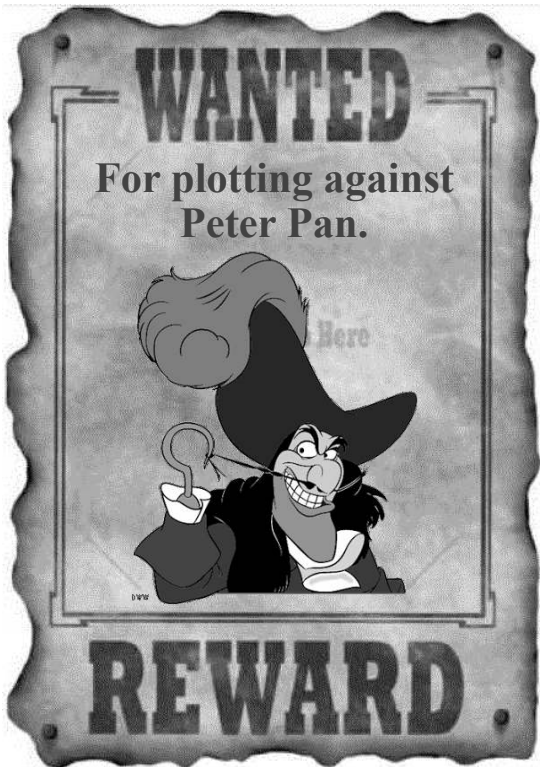

You can create your own wanted posters for a famous literary villain using paper and markers or crayons. Just read a book and create your own wanted poster for the villain of your choice! Or, come up with an entirely new villain of your making or create a poster where *you're* the villain.
