

ALL ABOUT: Where In The World?

**Around, around, around
the globe goes,
Where it stops, no one knows!**

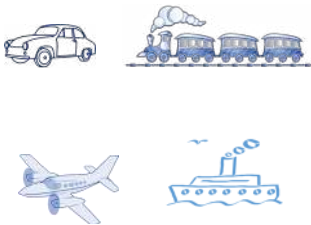

**Spin a globe and put a
finger on it (or close your
eyes and put your finger
on a map of the world).
What country did your
finger land on? (If it was
an ocean, try again.)**

**Before you travel, it is
wise to know a bit about
where you are going. Try
to find out as much as you
can about the country you
landed on.**

**You will find a travel
questionnaire attached.
Can you answer all the
questions?**
