

# NATURE LOVERS: Shoebox Trails

**Is there a mountain  
you'd like to climb? Or a  
garden, or a forest, or a  
park you'd like to visit?**

**But it's in a different  
country? You can make a diorama  
of it inside a box or container.**

**Use supplies like construction paper, LEGOs,  
toy animals, sand, rocks & pebbles, twigs &  
sticks, tree moss, cotton balls, string, shells,  
cleaning sponges, beads, marbles, real or  
artificial flowers/plants, etc., to create your  
own mini version of a beautiful place!**

***Examples: Mt. Everest, Gardens of Versailles,  
Sagano Bamboo Forest, Sahara Desert, Amazon  
Rainforest, Great Barrier Reef***
