MATH FOR ALL: Landmark Tanagrams

You will find a basic tangram pattern attached. Cut out all three sets.

**You will also find a coloring mini-book of famous landmarks.**

Which landmarks can you build with the tangram shapes?

Draw instructions on the opposite page of the mini-book so you can remember how you build each landmark.

Cawdor Castle in Scotland

Cawdor Castle, Scotland:

Cawdor Castle is tower house in Scotland. It is famous for its ties to
Shakespeare's MacBeth (in the play, MacBeth was made Thane of Cawdor).
However, the castle was actually built after the events of the play so this was a
fictitious tie in made by Shakespere when he was writing the play.
