

CRAFTY CHALLENGE:

Tissue Paper Balloon Globe

You will find a continent template attached.

Cut out the template and trace the continents on colorful tissue paper.

Write the names of the continents on each shape before you cut them out. For more challenge, research and add landmarks like mountains, countries, or major cities to each continent too.

Carefully brush glue on the balloon where you want to put each continent and smooth the tissue paper over the balloon.

When it dries, your globe will be ready to display!
