

## EXTRA CRAFTY: Map Art

Maps are a helpful way to locate places and they can also be used to make art!

1. Cut the first letter of your name out of a piece of cardboard (a cereal box works great!)
2. The following page has maps featuring different places. Print out the page of vintage maps.
3. Tear the map sheet into strips and glue the strips onto the cardboard letter.
4. Add string or ribbon to the top if you would like to hang it.
