Campfireball

The Campfireball is an immersive 'reverse-storytelling' experience created live and in the moment out of true-life stories and experiences from the people in the audience. There is nothing to prepare ahead of time and nothing to fear, participation is always voluntary and it's just as important to listen to someone else's story as it is to share one of your own. Every Campfireball is completely unique to that place and time so don't miss out on this truly one-of-a-kind event, and watch as a room of strangers are transformed into neighbors right before your very eyes! **All Ages.** No registration necessary.
